**Pour réaliser ce mini-livre, dégrafez les pages centrales de votre Spirou. Observez scrupuleusement les indications portées aux endroits mêmes où vous devez effectuer les pliages. Suivez-en rigoureusement l'ordre. Le pliage terminé, agrafez au centre et séparez les pages, soit à l'aide d'un couteau, d'un canif, soit en les rognant avec une paire de ciseaux. Conservez ce mini-livre. D'autres suivront et vous permettront ainsi de constituer rapidement une splendide mini-bibliothèque...**
